Hi all -

Based on responses, LWG is not planning to reschedule the first Round 2 Report roll-out meeting. The meeting will take place as previously agreed, on March 1, so please keep this date on your calendars. We'll be in Portland, location TBD.

Subject: RE: Change in date - March Round 2 roll-out meetings

If we are moving the initial roll-out meeting to an earlier date, will the Report be provided a few days earlier as well? I believe the parties should have time to do an initial review of the Report before the roll-out meeting.

I may have a hearing on Feb 28th, but don't know yet. I am currently available Feb. 27th.

Subject: Change in date - March Round 2 roll-out meetings

I have had a request to shift the initial roll-out meeting from March 1 to either February 27 or 28. Please let me know as soon as possible which of these dates works best for you, if any. I will confirm the date in a follow-up email after considering your responses.

Thanks!
Valerie

Subject: March Round 2 roll-out meetings

Hi all -

I just wanted to give an update on the planning for the March Round 2 "roll out" meetings.

The big March 1 initial meeting will be here in Portland, location to be confirmed. As the February CAG meeting is the previous evening it seemed best to have this meeting in Portland since several people will already be here. This will be a 10 - 5 meeting.

For the March 7 and 8 meetings, I am proposing to have these in Seattle. The March 14 and 15 meetings remain to be decided.

Please let me know if anything has come up that might affect the proposed dates or locations for these meetings.

thanks
valerie
